Sew-Perfect FEATURES

In addition to its decorative capabilities, the QuantumLock[®] has features that make your sewing even easier:

Cuts, Sews And Finishes In One Simple Operation

Differential Feed

Fully adjustable to ensure an even feed for perfect seams on every fabric – no breaking or puckering.

Adjustable Cutting Width And Clean Pocket

A moveable upper knife cuts fabric for 5-7mm seams. The attachable clean pocket then catches the trimmed material as you sew.

Color-Coded Lay-In Tension

With complete, easy-to-read diagrams, this feature makes threading your QuantumLock[®] a snap.

Consumer's Choice

More people own SINGER[®] machines than all other brands combined.

30-Day Money-Back Guarantee*

**Only at participating authorized Sewing Specialty Retailers.*

Decorative Stitches

Triple-Cover Stitch

For exquisite seams with a truly professional look.

Double-Cover Stitch

Provides parallel hemming with an overlock finish.

Chainstitch

Sews a straight seam without trimming.

Five-Thread Stitch

Makes for strong, durable seams.

Four-Thread Ultrastretch Stitch

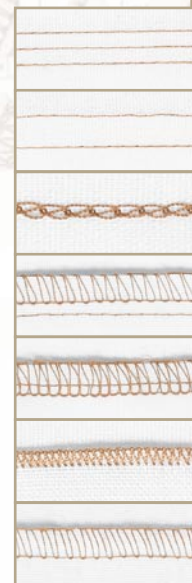

Commonly used in designer garments.

Rolled Hem Stitch

Adds a delicate finish to fine fabrics.

Flatlock Stitch

For true decorative flair on any project you wish.

For professional results every time.

Want to create the perfect, finished seams you see on designer clothing? You can with the QuantumLock[®] a five-thread overlock that sews seams and cuts off excess fabric in one easy step. And all for a very reasonable price.

What else would you expect from the brand that stands for value?

optional ACCESSORIES

For additional accessories, the SINGER[®] Essentials collection contains an array of optional presser feet and attachments for the QuantumLock[®] 14T967 DC that allows you to perform a variety of popular sewing techniques.
