

QUANTUM[®] XL-6000

A total fusion of innovation and imagination.

Sew your own home dec accessories. Embellish garments with lavish, yet easy-to-create embroideries. Play with fabrics, threads and radiant colors as you fully express your imagination. You can do all of this and more with the Quantum[®] XL-6000 from SINGER[®]. It's a fully automated, state-of-the-art sewing and embroidery machine. It's also completely upgradable to keep up with your creativity.

CONTINUOUS HOOP

Create perfectly aligned borders and heirloom insertions for home dec and garments. Includes card with 50 designs, plus 50 matching designs in single proportions.

Computer Interface

CONVERSION TOOL

A direct computer interface lets you download today's most popular home embroidery designs from the Web to the Quantum[®] XL-6000. You can also use design collections sold on CD or floppy, and send them directly to your machine.

3D PICTOGRAMS AND ICON-BASED MENUS

On-screen programming and pop-up help messages to guide you every step of the way.

Wind-In-Place Bobbin System™

Key Sewing Features

The Quantum® XL-6000 makes sewing easy – not to mention fun. If precision is your passion, get ready to create perfectly sewn stitches on your choice of fabrics. With just the touch of an icon, it automatically threads itself – from the top all the way to the needle. It automatically winds your bobbin, too. The Quantum® XL-6000 also offers 12 built-in buttonholes and a full variety of built-in stitches – including heirloom, cross-stitch, decorative and utility. And last but not least, you'll get the customizable SINGER® Exclusive Quilting Stitch for that hand-quilted look.

SIDEWAYS SEWING ▶

Sew in four directions with the touch of a button. No more pivoting your fabric.

Sideways Sewing Selector

KNEE LIFTER ▶

When you *do* need to move and pivot your fabric, use the knee lifter to raise your presser foot – hands free!

Key Embroidery Features

The Quantum® XL-6000 was built with your most daring designs in mind. From larger, multi-hoop designs to smaller, more delicate motifs and patterns, the Quantum® XL-6000 allows you to fully express yourself while giving you optimum control of your thread supply. Endless Bobbin™ automatically rewinds the bobbin so you'll never run out of thread again. But that's not all. You can easily switch between two colors with the new Auto Thread Exchanger,™ which accommodates the latest thread spool designs.

Auto Thread Exchanger™

Endless Bobbin™

215 BUILT-IN EMBROIDERY DESIGNS

Includes a full selection of fonts, floral designs and monogram motifs. Combine as many as 120 characters at a time and rotate at any angle for maximum customization.

SMART MEDIA

Add-on options like our embroidery design cards and state-of-the-art Professional Sew-Ware 2.00 give you access to even more designs. And if you want to keep up with future embroidery technology, upgrading is fast and easy with the Smart Media slot.

FULLY ADJUSTABLE FONT DENSITY

Built-in embroidery fonts are available in a variety of styles and sized from 7mm to 60mm. You can also adjust the density to your preference.

MULTI HOOPING

Produce large-scale designs – up to 10" x 18" (250mm x 450mm). Hoop position is calculated automatically for perfect alignment every time.
