

SINGER

Stylist™ II Serger

Feature	Benefit
New! Wide Open Threading	The front opens completely to reveal the loopers which significantly improves the ease of threading the serger.
New! Integrated Thread Cutter	The thread cutter is built into the needle plate. Trim threads near the end of fabric by pushing down the lever.
New! Cutting Width Gauge	Adjustable cutting width gauge attaches to needle plate to ensure the fabric is cut and sewn consistently.
New! Needle Threader	Easy to use needle threader eliminates cumbersome needle threading.
New! Accessories in Lower Looper Cover	Here you will find the most commonly used accessories, neatly arranged and right at hand.
New! Lower Drive Knife Mechanism	Provides better visibility than a standard serger.
2 Thread Serger	Sews beautiful edges on lightweight fabrics or lingerie.
3 Thread Serger	Sew rolled edges, decorative stitching, and more.
4 Thread Serger	Sew a secure stitch with ease.
Differential feed	Ensures wave-free seams in knits and prevents puckering in fine fabrics - at the same time allowing deliberate gathering.

SINGER

Stylist™ II Serger

Feature	Benefit
Tension Release	Allows threads to pull easily when presser foot is up.
Fast and Efficient	1,300 stitches-per-minute, trimming and overcasting the raw edges at the same time for quality seam finishes.
Electronic Speed Control	Guarantees consistent sewing speed with no jump starts.
Stitch Length Dial	Effortlessly adjust the length of a stitch pattern.
Portable	Carry handle makes for trouble-free to transporting.
Accessories	Standard foot, brush, screw driver (large and small), stitch fingers, two thread converter, oiler, extra cutter, wrench, 4 thread nets, tweezers, 4 spool discs, 4 spool holders, 4 spool caps, foot controller with power cord, vinyl dust cover, instruction manual, cutting width gauge, needle threader, package of needles, and 4 thread spools
Extra-High Presser Foot Lifter	Offers extra clearance when placing multiple layers of bulky fabric under the presser foot.
Consumer's Choice	More people own Singer® sewing machines than all other brands combined.
25 Year Limited Warranty	25-year manufacturer's defects, 2-year electric and electronic components, and 90-day parts and labor.
